

THE BALDPATE INN, LTD

MISSION

To serve as the premiere country inn in the state of Colorado

VISION

Each guest and employee is entitled to consideration of and accommodation for their individual abilities and needs.

Our Lodging guests are entitled to consistently relaxing, comfortably elegant bed and breakfast accommodations at a reasonable cost.

Our dining guests are entitled to consistently excellent service, exceptionally good food and enjoyable surroundings at a reasonable cost.

Our employees are entitled to sufficient training, pleasant working conditions, fair wages and support from one another.

VALUES & BELIEFS

The Golden Rule, "Treat others the way you wish to be treated," means we strive to consider the results of our actions and do our best for all at each opportunity.

Honest cannot be compromised, either you are truthful or not; we strive for truthfulness.

Ours will be a drug free workplace and living quarters.

We strive to take advantage of our lifelong opportunity to learn.

While we may not be able to choose what happens to us, we have the ability to choose our response in action and attitude.

Together we can achieve our goals more efficiently than we can each working independently.

No one is perfect.
